*“CPI is an integral part of our environmental staff.”*

## Experienced

Compliance Partners has successfully partnered with companies throughout the Rocky Mountain Region to bring expertise and personnel to meet their environmental compliance needs. We pride ourselves on developing long-term relationships with our partners in order to provide cost effective regulatory compliance services.

Compliance Partners routinely works closely with regulatory agencies in the following states:

Colorado  
Wyoming  
Utah  
Montana  
New Mexico  
Kansas  
North Dakota  
South Dakota  
Oklahoma  
Nebraska  
Texas  
Louisiana

For a list of CPI's partners and representative experience, contact Gary McFaddin, P.E. at (970) 206-4443 or
